VOL. 4. NO. 156. PRICE FIVE CENTS

## A DAY IN COUNTRY

EMMETT MACDONALD CHAPTER,  
UNITED DAUGHTERS OF  
CONFEDERACY.

WITH MRS. J. L. HENTON MONDAY

The sum of \$50 Donated to the Melita Day Nursery, \$50 to the Y. M. C. A., and \$25 to Jefferson Davis Memorial Home.

One of the most delightful Fourth of July entertainments given in Sedalia in years was that enjoyed by the members of the "U. D. C." their husbands and friends at "Prairie View," the country home of Mrs. J. L. Henton.

In carriages and automobiles the company left Sedalia at 4 o'clock and were soon speeding away over the smooth road, enjoying delicious whiffs of pure country air, combined with changing pictures of green fields, the yellow wheat nodding to us as we passed, all the colors so beautifully harmonized by the Master Artist's hand.

We soon spied the home of our hostess, almost hidden among the trees. Upon arrival there we were extended true southern hospitality by Mrs. Henton and her young sons and daughters, their spacious home being thrown open to the guests.

The house was elaborately decorated for the occasion, myriads of flags everywhere. Porters between the parlor and dining room were formed of the chapter's immense silk Confederate flag and an equally large American flag.

There were flowers everywhere—flowers fresh from the fields, combined with those of hot house skill.

The regular chapter meeting was held indoors by the ladies, while the gentlemen enjoyed the lawn and heard the returns of the Jeffries-Johnson fight, arrangements having been made by Mr. F. S. Leach to receive them as they continuously came in over the Home Telephone company wires.

The committee reported \$116.50 as the amount received from the recital given June 2 by Miss Agnes Scott.

Leland Lockhart, a Missouri Pacific engineer out of McGhee, Ark., and Miss Nellie Cockrell, a daughter of Mr. and Mrs. J. W. Cockrell, of 630 East Tenth street, will be united in marriage at the home of the bride-elect at 3:30 o'clock tonight.

The Rev. W. A. McClanahan, pastor of the Fifth Street M. E. church, South, will officiate. Relatives and friends will attend the ceremony, which will be followed by a luncheon.

The bridal couple will leave tomorrow morning for Kansas City to visit the bride's aunt, Mrs. Frank Klunk, after which they will visit at Denver and Seattle, and after July 20 will be at home to friends at McGhee.

Mr. Lockhart is a worthy young man in every particular. His bride is a sweet and accomplished young lady and legions of friends will join in extending congratulations.

## DIED OF HIS INJURIES

John Bresnahan, Aged 70, a Former Resident of Sedalia.

John Bresnahan, aged 70, a former resident of Sedalia and a brother of Mrs. Julia O'Neill, of this city, was found lying by the side of the tracks of the Kansas City Western Electric railway, eight miles west of Kansas City, Kas., last Saturday night.

His right leg was broken and his skull fractured. He was unconscious when removed to Bethany hospital, and died in a few hours. It is believed he fell from a car. He was employed as a gardener at the United States Military Home at Leavenworth, Kas.

Federation of Labor to Meet.

A special meeting of the Sedalia Federation of Labor will be held Wednesday night, July 6th, when important business is expected to be introduced relative to the situation of the Missouri Pacific striking machinists.

Home From Eastern Trip.

Dr. and Mrs. M. T. Collins are home from an extended stay in the east. In New York city Dr. Collins took a post-graduate course in the New York Polyclinic Medical college, and in Chicago he attended a meeting of the executive board of the Catholic Knights and Ladies of America.

Cow Killed by a Train.

Frank M. Sprague, of 1217 South Lamine avenue, had a \$75 cow, part Jersey, killed by a High Line M. K. & T. train, at Sixteenth and Ohio streets, early Sunday morning.

## GRANTED A PAROLE

THE WOMAN ARRESTED HERE FRIDAY LAST FOR MASQUERADING AS A MAN.

SHE HAS HUSBAND AT NEVADA, MO.

Was Granted a Parole Today, Then Furnished With Female Apparel and is Now Working in Local Hotel.

The woman arrested here Friday night under the name of Grace McKinley, alias Grace Mack, for masquerading as a man, confessed Sunday that she is in reality Mrs. Mary Painter, the wife of William Painter, a laborer of Nevada, Mo., to whom she was married when only 13 years old, and from whom she has been separated twice in the past five years.

The prisoner was arraigned in police court on Monday, when she pleaded guilty to the masquerading charge and was fined \$25. In default of payment she went below.

A parole was today granted the woman, with the understanding that never again was she to endeavor to pass as a man. She was furnished with female apparel, and later secured employment at a local hotel, where she says she will endeavor to live the right kind of a life.

It was thought that the woman was wanted at Paola, Kan., by the authorities, but investigation revealed to the contrary. Asked if she had ever been at Paola, Mrs. Painter informed a Democrat-Sentinel reporter that she had.

"I have a sister, Mrs. Annie Ramey, there," she said. "On the occasion of my last visit to her we quarreled and she had me arrested on the charge of larceny. I was innocent, but was convicted, nevertheless, and was sentenced to ninety days' imprisonment in the county jail."

"I served only thirty days, and was then paroled, after which I left that section. I thought possibly I was wanted there for violating the parole, and am glad to know that such is not the case."

Mrs. Painter is 22 years old, as chronicled in the Democrat-Sentinel last Sunday. She has a grandmother living at Nevada. She saw her father for the last time three years ago. He is a Civil war veteran, having served in the Union army, but whether he is alive at this time she does not know.

## ARE TO GIVE A RECITAL

Miss Alice Brown and Her Piano Pupils Tomorrow Night.

Miss Alice Brown will give a pupils' piano recital at the Jesse French Piano company's parlors at 8:15 o'clock tomorrow night.

The program consists of twelve numbers, including vocal numbers by Miss Agnes Scott Longan. These will take part:

Loueva Longan, Mary Malone, Elizabeth Sturges, Lucile and Elizabeth McEniry, Alice Combs, Vitula Van Dyne, Ruth Bosserman, Diana Summers and Henry White.

The Printers Made a Loan.

Sedalia Typographical Union No. 206 met Sunday and made a loan of \$25 to the Sedalia Garment Workers' factory. In addition, individual members loaned the following sums: J. P. Hurtt and John T. Weisenbach, \$5 each; Samuel McEwen, \$2; W. L. Brummett, Edward Lewis, W. L. Smythe, Edward J. Wheeler, Herbert S. Frazier and Edward Mullalley, \$1 each.

## 'REDS' VS. 'CUBS'

THREE GAMES ARE PLAYED BY THE TEAMS OF WARSAW AND SEDALIA.

NO SCORE IN SUNDAY'S CONTEST

Sedalia Won Morning Game at Warsaw and Lost Afternoon Game—"Bum" Umpiring by Benton County Man.

With a man on third, and only one out, it looked as if the Cubs would defeat the Warsaw Reds in the second contest at Liberty park Sunday afternoon, but at this juncture rain began to fall in torrents and it became necessary to call the game, neither team having scored a run.

It was truly a great game of ball, and was appreciated to the fullest by the several hundred persons present. Duvonick and Wilkinson were in the points for the Cubs and Acock and Bourlonia for the Reds.

Both pitchers were hit freely, but they had gilded support at all stages of the game, and in two or three instances each twirler pulled himself out of a tight hole without a runner making a circuit of the bases. It was easily the best exhibition of the year, and was appreciated to the fullest by every spectator.

The double umpire system was used, Lupp, of Warsaw, and Brown, of Sedalia, officiating. The former is not in the same class with the latter, and his work on balls and strikes was severely criticised. That Sedalia did not lose, Lupp's coarse work considered, is almost a miracle. Score:

|         | R | H | E |
|---------|---|---|---|
| Warsaw  | 0 | 4 | 2 |
| Sedalia | 0 | 4 | 1 |

Time of game, 1 hour and 20 minutes.

The Warsaw Reds were defeated by the Sedalia Cubs yesterday morning on the Warsaw grounds by the score of 10 to 7.

There were no features of the game outside of a couple of pretty

## THE GREEN RIDGE PICNIC

It Was One of the Most Enjoyable Ever Given in the County.

Probate Judge Dan E. Kennedy and County Treasurer Lon V. Ware are the Democrat-Sentinel's authority for the statement that the picnic given at Green Ridge on the Fourth was one of the most enjoyable ever held in the county, and that the hospitality of the people of that section is unbounded.

Jeff J. Gray was chairman of the meeting, and presided with his usual grace and dignity. Speeches were made during the morning by R. A. Higdon and Dimmitt Hoffman, of Sedalia, each gentleman winning many compliments on his effort.

The Green Ridge band furnished excellent music, and there was an abundance of everything that was good to eat, the home people seeing to it that each and every stranger was made to feel at home.

After the dinner hour there was a splendid parade, a float in which was seated the little daughter of Dr. Claybaugh being especially attractive.

Following the parade there was an address by Hon. F. S. Heffernan, of Springfield, Mo., who is the "dry" candidate for congress from this district, and Hon. W. D. O'Bannon, who is seeking the democratic nomination for prosecuting attorney, as is also Mr. Higdon, who spoke in the morning.

## HE GAVE A STAG DINNER

Carl Johnston, a Blacksmith at Missouri Pacific Shops.

Carl Johnston, a popular blacksmith at the Missouri Pacific shops, gave an elaborate stag dinner to a small party of friends at the noon hour Sunday, at 1915 East Broadway, with Thomas Dunn as toastmaster, E. P. Hart being the chef for the occasion, which function will long be remembered with pleasure by all present.

The menu consisted of spring chicken, Swede stew, Irish stew oyster cocktail, New York crabs and the "stuff" that "made Milwaukee famous," to which all did full justice.

Now Live in California.

Ex-Alderman B. F. Seggerson and two of his sisters, Misses Julia and Dora, and two of their nieces, Misses Helen and Marie Jeffries, all former Sedalians, but who moved to El Paso, Texas, about four years ago, are now living in San Francisco, Cal., and are well pleased with their new home.

Death of One of Twins.

One of the twin sons of Dr. H. E. Abrahams, of Trinidad, Colo., has died. The mother, who died soon after the birth of the children, was formerly Mrs. Ida A. Meyers, of this city.

## THE COUNTRY CLUB

INDEPENDENCE DAY WAS CELEBRATED BY THE MEMBERS ON THE FOURTH.

ROYAL GOOD TIME WAS HAD BY ALL

Hon. O. M. Barnett Winner of the Tournament, With Emil P. Neef Close Second—New Record Was Established.

Yesterday was a great day at the Sedalia Country club. As is the custom, Independence day was celebrated there in a quiet way.

Large numbers were at the club house in the evening with well filled baskets, and others were served with dinner by the competent steward, Robert Fritz.

As it was the last special day that will be observed at the present club house, there was more or less a feeling of sadness, intermingled with the joyousness of the celebration.

The elegant new club house will be occupied within the next ten days.

On the golf links many devotees of the game spent the entire day.

The annual Independence day tournament was played in the afternoon. Orville M. Barnett was returned winner with a score of 89—6—83. His closest competitor was Emil P. Neef, with a score of 99—8—91.

Mr. Barnett's game is to be remarked by reason of the fact that besides winning the tournament cup, he also established a new 9 hole and new 18 hole record for the present course, namely, 42 for nine holes and 89 for twice around.

## THE FOURTH IN SEDALIA

Thousands of People Celebrated at Liberty Park.

A large crowd of men, women and children enjoyed the July 4 celebration at Liberty park Monday.

There was a parade in the morning, automobiles alone taking part, filled with little girls dressed in white, each carrying an American flag, followed by speaking at Liberty park by H. B. Shain, H. D. Dow, W. A. Collins, W. W. Blain and Claud Wilkerson, a state university student.

In the afternoon there were two ball games, the first between the First M. E. church and the Fifth Street M. E. church, South, resulting in a victory for the latter by the score of 5 to 4, and another between the Sedalia High school and the East Sedalia Baptist church.

At night there was a grand display of fireworks. The Sedalia Military band furnished fine music both day and night.

## THE DEATH OF "JOE" BROWN

For Many Years He Was a Resident of Sedalia.

C. E. Brown, a former Sedalian, better known as "Joe" Brown, for years engaged in real estate and livery business in this city, died from paralysis at his home at Topeka, Kas., at 5:30 o'clock Sunday evening, aged 61 years.

Deceased is survived by six children, among the number being W. H. Brown, a caterer for E. C. McGurren. The remains will arrive in Sedalia on Missouri Pacific train No. 12 tomorrow forenoon and services will be held at Bethlehem church tomorrow morning. The Rev. Shouse will officiate. Burial will be in the family burial lot there.

## BLACK VS. WHITE

JACK JOHNSON DEFEATED JIM JEFFRIES WITH EASE AT RENO, NEVADA.

WHITE MAN NEVER HAD A CHANCE

What the Principals Had to Say at the Conclusion of the Battle—Description of Fifteenth and Final Round.

Jack Johnson, negro, defeated Jim Jeffries, white, at Reno, Nev., Monday, for the heavyweight championship of the world, in the fifteenth round of what was to have been a 45-round battle. The former champion never had a look-in for victory. It was truly a case of not being able to come back. The negro hit the white man at will, and the latter's blows lacked steam. "Bat" Masterson says Johnson is the best fighter that ever entered the ring, and even in his best days Jeffries would not have had a ghost of a show to win.

It was not an exciting fight at any stage, and it is likely Johnson could have won earlier had he not desired to prolong the contest for the benefit of the picture men. Following is the Associated Press report of the fifteenth and last round:

Fatal Fifteenth Round.

When the men faced each other it was plain to all that Jeffries was in distress. His face was puffed and bleeding from the punishing lefts and rights he had received, and his movements were languid. He shambled after the elusive negro, sometimes crouching low, with his left hand stuck out in front, and sometimes standing erect. Stooping or erect, he was a mark for Johnson's accurately driven blows.

Johnson simply waited for the big white man to come in and chopped his face to ribbons. They came into a clinch after a feeble attempt by Jeffries to land a left-hand blow on the body, and as they broke away Johnson shot his left and right and

## SUNDAY SCHOOL PICNIC

That of Trinity Church Will Be Held on July 14.

The Sunday school of the Trinity Lutheran church will hold its annual outing on Thursday, July 14. This is according to the agreement reached on last Sunday morning. The place has not yet been definitely decided upon, but it is probable that Thatcher's ford will be chosen. Private conveyances and hay wagons will be used in conveying the members of the school to the picnic grounds.

There will be plenty to eat and lots of fun. Some of the amusements of the day are to be a ball game, a croquet tournament, wading for the children, walking races, also potato, egg, sack and shoe races. The ribbon color-scheme will indicate the winners in these events.

## CLERK WAS PUT IN JAIL

For Putting Dynamite Caps on Street Railway Track.

An Ohio avenue clerk in his teens was arrested Monday by W. S. Murphy, a police officer, at the request of Mayor J. W. Mellor, charged with exploding dynamite caps under the wheels of cars of the Sedalia Light and Traction company.

Mayor Mellor was a passenger on the car when one of the caps was exploded. The individual had been requested to repent the practice, but did not heed.

He was committed to the city jail, but later was released by order of the mayor, after being reprimanded.

## GUN WAS TAKEN FROM HIM

This Was the Experience of a Missouri Pacific Watchman.

Robert Coffee, a watchman at the Missouri Pacific shops, was attacked by five unknown men in East Sedalia at 7 o'clock last night and relieved of his No. 38-calibre Colt's revolver.

Coffee, who was slightly cut and lacerated about the head, made complaint to the authorities today, but there is little clue on which to make arrests.

Resigns From the "Capital."

Christie Collins, a son of W. A. Collins, the attorney, who for the past two years has been employed on the Capital's reportorial staff, resigned Sunday and left at once for Springfield, Mo., to accept a reportorial position on the Leader.

A \$100 Blaze on Sabbath.

Boys smoking set fire to the bedding upstairs in a storeroom in the rear of John Alexander's home, 1419 East Twelfth street, Sunday afternoon, causing \$100 damage, which is covered by \$100 insurance.

## FIRE CHIEF QUILTS

MR. HENRY C. WILLIS HAS BEEN WITH THE DEPARTMENT SINCE YEAR 1880.

BEEN CHIEF SINCE AUGUST 3, '87.

Retires Voluntarily in Order That He May Get More Outdoor Exercise—Will W. H. Paul Be His Successor?

Henry C. Willis, who has been connected with the Sedalia fire department since 1880, and has been chief since August 3, 1887, has resigned his position, effective the 19th inst.

As to who will succeed him, nothing is known definitely, but the general belief is that the mantle will fall upon W. H. Paul, the efficient assistant chief.

Mr. Willis has made Sedalia a model city. He has also been a model citizen here for more than thirty years, has saved his money and retires voluntarily in the prime of life with the satisfaction of knowing that he does not have to work 365 days each year in order to keep the wolf from the door.

As to his future movements he has not decided fully. However, Henry Willis is not the kind of a man to remain idle, and it is dollars to doughnuts that after a deserved rest he will again don the working harness but in some capacity that will give him plenty of outdoor exercise.

That the best wishes of the property owners of Sedalia will be with him, no matter the business in which he may engage, the Democrat-Sentinel has not the least doubt.

## TOOK SUPPER AT SMITHTON

Young People Went There on Fourth of July Outing.

Five couples of young folks drove to Smithton Monday evening, where they enjoyed a delicious supper, after which they enjoyed a dance at the Smithton hotel, all returning home early this morning.

The following made up the party: Misses Daisy Olds, Maud Neighbors, Lottie Williams, Cecil Lange and Olive Hill and Messrs. Ernest and Roy Green, Amiel Meier, Tom Ferguson and Emmett Petty.

## SENTENCED FOR LIFE

Dr. Hyde Today Heard His Fate from Judge Lathaw.

Kansas City, Mo., July 5.—Dr. B. C. Hyde, convicted of having poisoned Col. Thomas H. Swope, the millionaire philanthropist, was sentenced to life imprisonment at hard labor by Judge Lathaw in criminal court here this morning. An appeal to the state supreme court was filed by Hyde's attorneys and until it is taken up by the higher court the prisoner will remain in the county jail here.

## DID NOT PUT OUT A LIGHT

Resulted in a Sedalia Contractor Being Fined Ten Dollars.

G. W. Kemp, a contractor, was fined \$10 by Police Judge James C. Connor today for failing to place a lighted lantern over a pile of gravel in front of F. L. Ludemann's home last week.

Mayor Mellor asks that anyone knowing of an unprotected obstruction in a public street report same to him at once.

## TRIBUTE TO DIVINE

WAS PAID BY DEVOTED FLOCK TO THE REV. A. W. KOKENDOFFER SUNDAY.

REMARKS BY HON. GEO. BARNETT

Congregation of the First Christian Church Gave Practical, Positive Evidence of Its High Regard.

At the close of the regular services at the First Christian church on last Sunday morning Mr. G. W. Barnett, chairman of the board of elders, in a brief and touching address, reviewed the splendid work of the pastor, Elder A. W. Kokendoffer, during the past two years, resulting in the prosperity of the church in all its departments, and the best financial condition it has ever enjoyed.

Elder Barnett then, on behalf of the entire membership, every one of whom affectionately esteemed the pastor, wished him God-speed upon the European trip which he would begin Monday—health, joy and benediction while abroad, and a safe return to his home and people.

He then asked the congregation to endorse his statements by a rising vote. The response was enthusiastic and magnanimous.

The speech, the love for the pastor, and the good bye thus heartily given brought tears to many eyes.

Elder Kokendoffer very briefly and feelingly expressed his appreciation and gratitude. "God Be With You" was then sung and the meeting closed with prayer.

The congregation gives practical, positive evidence of its high regard for its pastor by granting a two months' vacation, continuing the salary during his absence, and in addition paying for the services of a substitute when secured by the official board.

To all this must be added that the Rev. Kokendoffer received a substantial pecuniary evidence of the esteem in which he is held by many individual contributions.

## TO STUDY FRENCH ABROAD

Miss Frances Longan Will Sail From New York Thursday.

Miss Frances Longan, daughter of Judge and Mrs. George F. Longan, is in New York city, from which port she sails on the steamer La Provence Thursday for Lousanne, Switzerland, where she will study French the coming year under a French instructor.

Miss Longan will make the trip in company with the Gottlieb family, of Baltimore, Md., a daughter of that family having attended Hollins institute in Virginia at the same time Miss Longan did, and who is also to study under the same instructor in Europe.

The party will land at Havre, France. There they will be met by Madame Barriere, principal of public schools, after which the party will enjoy a six weeks' trip in the Alps. They will then proceed to Lousanne.

## WAS BITTEN BY CANINE

Daughter of Mr. and Mrs. Benj. Jenkins Last Night.

The eldest daughter of Mr. and Mrs. Benj. Jenkins, the former a traveling salesman, residing on Wilkerson avenue, was severely bitten in several places on one arm by a strange dog at her home at 8 o'clock last night.

Miss Jenkins was engaged in discharging fireworks when the dog attacked her.

Dr. M. T. Collins, who returned Saturday from a tour of the east, was summoned and cauterized the wounds.

## HAD 18 ACRES OF TOMATOES

Dr. W. M. Carter and Son Will Can the Vegetables This Summer.

Dr. W. M. Carter and son, Dr. Fletcher Carter, have eighteen acres of tomatoes planted, from which they expect to raise a large crop of the vegetable to be canned at their local canning factory.

Owing to the elements, the season is late this year, and canning will not begin until the latter part of August.

**THE WEATHER FORECAST.**  
Partly cloudy tonight and Wednes-  
day; warmer in west portion tonight.

**HUMAN MIMEOGRAPHS.**  
Chicago's public school superin-  
tendent is a woman and in addition,  
is a woman of ideas. One of her  
ideas is that a great deal of time is  
wasted in the schools in teaching  
the children to write. First, they are  
taught under a vertical system, and  
then under a slanting system, and  
then back to vertical and ever and  
anon come changes and each change  
means additional expense to the par-  
ents.

The superintendent is desirous of  
stopping this foolishness and has  
given orders that the children be  
permitted to write as they please,  
learning to make the characters uni-  
form and to write legibly and rapid-  
ly.

Chicago's school superintendent  
has noted that to begin with no two  
children write alike, and after study-  
ing the matter she has come to the  
conclusion that by nature the child-  
ren were never intended to have a  
system of writing drilled into them  
for which they were never fitted.

She believes in individuality in  
writing and points out that no mat-  
ter under what system a child is re-  
quired to waste its time, it finally  
drifts into the system of chirograph-  
y for which nature intended it. In  
other words, the handwriting of the  
adult bears no resemblance to that  
which was drilled into the child dur-  
ing school days and therefore time  
that ought to be spent in other  
studies is more or less wasted in  
"following copy" in the text books.

She may be right about it and her  
theory has the advantage of appear-  
ing plausible. What is needed is  
legible writing by persons who can  
write rapidly. The persons called  
upon to read such writing are not  
particular about system. If the writ-  
ing is legible the main requirement  
has been met.

There is little real call for the  
teachers trying to make mimeo-  
graphs of the children with the edu-  
cation of whom she is entrusted.

**COLD WATER WITHOUT ICE.**  
Ice is not a necessity in order to  
secure cool water, for water can be  
made sufficiently cool for drinking  
purposes by putting it in a bottle or  
jug and wrapping a woolen rag  
around the latter, then setting it in  
a shallow dish of water and placing  
the whole outfit in a cool place; if  
in a draft all the better.

The principle involved is the fact  
that when evaporation takes place  
heat is given off. The woolen rag  
absorbs the water from the dish be-  
low, which is evaporated from the  
rag, cooling the water.

If you have ever had alcohol or  
either in your hands have no  
doubt noticed how cool the skin felt.  
This was because of the evapora-  
tion

of the liquid. The faster it evaporates  
the cooler the object gets.—Subir-  
ban Life.

## NO DULL DAYS.

Referring to the so-called "dull  
season," an exchange says: "Just  
why the summer months of each  
year should be set aside for a three-  
months' period of inactivity has never  
been explained.

There is some excuse for the man-  
ufacturer of fur garments, ice skates  
and patent ear muffs, but the rank  
and file of advertisers deal in nec-  
essities which are used quite as  
much in July as in January."

As a matter of fact, the dull sea-  
son of either the manufacturer or  
the merchant is largely self-created.  
If he shuts off the power in summer  
he need not be surprised if the mo-  
mentum of the wheels slacken.

The help of the advertising col-  
umns of the daily newspaper is dou-  
bly indispensable when business is  
traveling on an up grade.

## DOCTORED RETURNS.

Representative Tawney figures out  
the appropriations of the session  
just ended to be considerably under  
a billion dollars. His estimate is  
about 907,000,000.

In arriving at this comfortable re-  
sult he excludes a good part of the  
\$52,000,000 carried by the rivers and  
harbors bill and nearly all of the  
\$32,000,000,000 in the public buildings  
bill. His method is to omit all ex-  
penditures authorized but for which  
no immediate draft will be made in  
the treasury.

On the same principle, the man who  
has mortgaged his next year's in-  
come to buy an automobile could  
satisfy the whisperings of his consci-  
ence against his extravagance.

## "Foley Kidney Pills Have Cured Me."

The above is a quotation from a

## Pastor Russell on Liberty

Text—"The creature also shall be delivered from the bondage of cor-  
ruption into the glorious liberty of the children of God."—Romans  
8:21.

### Correspondence Democrat-Sentinel.

Brooklyn, N. Y., July 3.—Pastor  
Russell, of the Brooklyn Tabernacle,  
preached today in Brooklyn's largest  
auditorium, the Academy of Music,  
from the above text, to a crowded  
and attentive audience. He said:

Tomorrow will be celebrated as  
"Liberty Day" by Americans in all  
parts of the world. To some, of  
course, it means a holiday, a time of  
recreation, but to others of us it  
speaks eloquently of "Liberty en-  
lightening the world!" Even the  
enemies of the republic must con-  
cede that an influence has gone  
forth from these shores to the utter-  
most bounds of earth—an influence  
against tyranny, and in a broad, gen-  
eral way in line with the Golden  
Rule, which respects the liberties of  
others as it desires its own to be re-  
spected. It is difficult to estimate  
the weight of influence attaching to  
the numerous letters going from  
these shores to every country under  
heaven, to every hamlet and village  
and city. It is difficult to estimate  
the influence of the newspapers and  
magazines which go forth from this  
land breeding the love of liberty.

And yet, dear friends, every day  
and every year, as our ideas mature, we  
come to see more and more dis-  
tinctly what constitutes true "lib-  
erty," and to distinguish this from  
"license," which sometimes steals  
the livery of liberty, to grossly mis-  
represent it.

It is not surprising that many who  
come to our shores from lands where  
personal liberty is almost unknown  
are inclined to expect more liberty  
than we can safely accord them.  
They are obliged to learn gradually  
the lesson that social liberty sig-  
nifies, not personal license, but the  
permission to do only those things  
which will not interfere with the  
rights and liberties of others. In-  
deed, this is the lesson which all  
must learn in order to be good, use-  
ful citizens of this republic; a lesson  
therefore to be learned by all who  
would enjoy true liberty. It is the  
lesson of self-control; the lesson of  
minding one's own business; the les-  
son of speaking evil of no man; the  
lesson of doing good unto all men as  
we have opportunity; the lesson of  
intruding on the proper rights and  
privileges of no one else. But alas,  
how few of the world have come to

rightly view the liberty of which we  
boast!

### In the School of Christ.

It is in the School of Christ that  
the pupils or disciples of the Lord  
Jesus may learn of him, the Great  
Teacher, the important lesson of self-  
control and the proper exercise of  
our own liberty, without encroaching  
upon the rights and liberty of others.  
Alas, dear friends, we must concede  
that remarkably few of the Lord's  
people have learned this lesson and  
are qualified to graduate along this  
line! Many followers of Christ con-  
tinually practice injustice in the lit-  
tle things of life, neglecting to regard  
the liberties and rights of others. In  
the church, in the home, in business,  
the rights of others are all too fre-  
quently ignored or only partially  
recognized. It is more important  
that we learn to recognize the rights  
and liberties of others than to insist  
upon our own rights. The former  
course tends to make us Godlike; the  
latter cultivates selfishness and fre-  
quently gets us into difficulty un-  
necessarily. The Apostle's instruc-  
tion is that so far as possible, we  
should live peaceably with all men,  
which often necessitates the voiding  
of our own rights for the sake of  
peace.

This matter of insisting upon  
rights and liberties is moving the  
world more and more toward conten-  
tion and strife, and hastening it to-  
ward the great time of trouble which  
shall engulf the whole social struc-  
ture. Doubtless the great majority  
will be claiming their individual  
rights while almost totally disre-  
garding the rights of others. We  
urge, therefore, that kind of love of  
liberty which is willing to sacrifice  
as respects its own privileges, that  
it may be helpful to others in main-  
taining their proper liberties. Nor  
does this signify that the people of  
God should ignore their own liberty  
and fight for the liberty of others.  
Rather we should stand for the prin-  
ciples of righteousness, and both by  
word and precept refrain from stir-  
ring up violence, or jeopardizing the  
interests of others. Liberty of con-  
science we should maintain in our-  
selves and should encourage in  
others.

### "Liberty of Children of God."

St. Paul speaks in our text of the  
"liberty of the children of God."  
This, primarily, signifies our desir-  
tion from our taskmaster, Sin, and  
the surrender of our wills to God and  
righteousness. It means a repudia-  
tion of liberty to do wrong and the  
grasping, through Christ, of liberty  
from bondage to Sin. But, as the  
Apostle elsewhere explains, we find  
it impossible to conquer fully the  
fallen flesh. We will find it impos-  
sible as "New Creatures" to attain  
the full liberty of Sonship under  
present conditions, because, as St.  
Paul declares, "The flesh lusteth  
against the Spirit, and the two are  
contrary the one to the other" (Gal-  
atians v. 17). We have a constant  
fight to resist the enslaving influ-  
ences of Sin—to maintain our liberty  
as sons of God. The victory will not  
be fully attained until our resurrec-  
tion, when "This corruptible must  
put on incorruption." Then our new  
minds will receive new, perfect spirit  
bodies, through which we can op-  
erate perfectly, and exercise, to the  
full, true liberty, true freedom.

The full liberty of the Children of  
God, therefore, is not attained in this  
present life, but will be attained in  
the resurrection, when we shall be  
perfected in the Master's likeness.  
And in this connection it is well to  
note this this is the liberty of the  
angels also—liberty of freedom from  
sin, from the power and domination  
of error and superstition and weak-  
ness through heredity. All the angels  
were thus created, and father Adam  
and mother Eve were thus created,  
in the full likeness of the children of  
God. Some lost their liberty by dis-  
obedience; they became slaves to Sin  
and Death, and have been more or  
less bound by these conditions from  
then until now. So, then, "The lib-  
erty of the children of God" is absolute  
perfection—the ideal condition for  
which the church is striving.

### The Groaning Creation.

The Apostle in our text is discuss-  
ing the condition of the world of man-  
kind in general. He reminds us that  
"the whole creation groaneth and trav-  
elleth in pain together until now"  
(Romans viii, 22). In the nineteenth  
verse he tells us what they are wait-

ing for, namely, "the earnest expecta-  
tion of the (human) creature waiteth  
for the manifestation of the sons of  
God." The world of mankind is now  
enslaved to Sin and Death; they can-  
not help themselves; they must wait  
until God's time for setting them  
free from this bondage. God's time  
will come in connection with the  
glorification of the Church, and her  
manifestation with her Lord in the  
glories of his Messianic Kingdom.  
Then the groaning creation will be  
set free from the bondage of Sin and  
Death, under which it now groans  
and travails.

### Made Subject to Vanity.

The Apostle reminds us that the  
slavery of mankind to Sin and Death  
came upon the world through vanity,  
or frailty, unwillingly. Our frailties  
are the result of sin and of the Di-  
vine sentence. Father Adam was dis-  
obedient and our Creator, in sentenc-  
ing him to death, made the dying  
condition such that all of his children  
would be involved with him, as sin-  
ners, through heredity, and thus shar-  
ers in his dying condition. But God  
did not subject our race to this dying  
condition, this slavery to Sin and  
Death, with the intention of blasting  
the hope of humanity to all eternity,  
much less with the expectation of  
sending Adam and his race to eternal  
torment. Rather, we are to under-  
stand that when God pronounced the  
death sentence upon our race, inter-  
mingled with it was the hope, the de-  
sire, on the part of the Creator, that  
the result of that death sentence,  
should not be man's absolute and

eternal destruction, after the man-  
ner of the brute beast. In the Di-  
vine purpose there mingles a hope—a  
desire and intention that all of  
Adam's race who will learn the les-  
son of righteousness may ultimately  
be delivered from the bondage of Sin  
and Death, into the true liberty of  
children of God. It was to secure,  
in God's due time, for Adam and his  
race, liberty from Sin and Death, that  
Christ died for our sins.

### The Creation to Be Delivered.

Our minds now turn to the liberty  
which, by God's grace, came to this  
nation in 1776; and, similarly, some  
of our nation look to the liberty that  
was accorded them by the "Emancipa-  
tion Proclamation." But these em-  
ancipations are nothing in compari-  
son of Father Adam's disobedience, "Sold  
under sin," the purchase of the  
all the world of mankind through  
Christ. Enslaved to Sin, through  
through Father Adam's disobedience,  
"Sold under sin," the purchase of the  
race by the precious blood of Christ

## S. S. S. A BOTANICAL BLOOD REMEDY

Nature in her wisdom and beneficence has provided, in her great vegetable kingdom, a cure for most of the ills and ailments of humanity. Work and study have perfected the compounding of these botanical medicines and placed them at our disposal. We rely on them first because of their ability in curing disease, and next because we can use them with the confidence that such remedies do not injure the system as do the strong mineral concoctions. Among the very best of these botanical preparations is S. S. S., a medicine made entirely of roots, herbs and barks in such combination as to make it the greatest of all blood purifiers and safest of all tonics. It does not contain the least particle of harmful mineral to injuriously affect any of the delicate parts of the system. S. S. S. cures Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Malaria, Skin Diseases, Contagious Blood Poison, or any blood affection or disease even reaching down and cleansing the circulation of all inherited blood troubles. As a tonic S. S. S. is unequalled. It builds up the system in the proper way, by purifying the blood and supplying a sufficient amount of vigor and nourishment to the body. If you are suffering with any blood trouble, or are in any way run-down in health, you could not do better than take S. S. S., a purely botanical blood remedy. It cures without ever leaving any unpleasant or injurious effects. It is perfectly safe for young or old. Book on the blood free to all who write.

## FORMER SEDALIAN

THE REV. F. J. HART WANTS TO  
GET IN TOUCH WITH THE  
SALOON CROWD.

**GO TO BARROOMS TO MEET 'EM.**

Divine In Question Was Formerly In  
Charge of the Second Congrega-  
tional Church In This  
City As Pastor.

The Rev. Col. F. J. Hart, who preached his first sermons Sunday at the Olive Branch Congregational church, Sidney street and Missouri avenue, as an ordained minister and the pastor of the church, after having been a hotel keeper and business man for 40 years, is very considerably up to date, notwithstanding his 65 years, says the St. Louis Post-Dispatch.

If he cannot get the saloon crowd to come to his church he will go to the saloons. He will go there, he says, not to harass the saloon keeper and his customers, but to meet them as a man meeting men, shake hands with them, talk to them, lean against the bar with them, argue logically with them, but not to drink with them.

The pulpit, he says, cannot teach these sort of people unless they are willing to be taught, and they will not be willing to be taught as long as they have a feeling of ill-will toward the pulpit. Before the preachers can have power over the people, he says, the preachers must be friendly with the people. When the preacher and the saloon keeper meet as man to man and as friends, then the preachers will have greater power.

Dancing, card playing and the theater, says the Rev. Col. Hart, are all right, and harmless in themselves. Of course, he says, they can be made harmful, just as roller skating, ice skating and casino can. He goes to the theater whenever he feels like it and he feels like it quite often.

He looks upon the stage as an educational center. As proof of this he cites that while the attendance at the theater and other places of amusement is on the increase the world is getting better. Slavery and lotteries have passed away and horse racing and prize-fighting are passing away.

The pulpit, he says, instead of advancing, has been lagging behind. One reason, he thinks, is that the newspapers have largely taken the place of the pulpit in an educational sense.

He does not think that preachers are living up to the times nor advancing as they should, or that they are as broad-minded as they should be. The world, he says is getting more liberal and ministers, if they are to have any influence, must advance along the same lines.

Ministers, he says, cannot be censors, because they are not sure whether they are right or not. While it is true that civilization is advancing under Christianity, nobody knows anything for sure, and, in the judgment of the Rev. Mr. Hart, we are not sure of the ground we stand on.

Col. Hart, now become the Rev. Mr. Hart, was ordained Thursday evening at the Olive Branch church. The Rev. John B. Toomey, pastor of the Fountain Park Congregational church, delivered the charge to the pastor. The Rev. Dr. Charles Mills, of Pilgrim Congregational church, preached the ordination sermon.

**Mr. McGruder Not Twigg's Attorney.**

An error was made in the report of the reduction of the sentence of Carl Twigg, from two years in the penitentiary to six months in jail Saturday last. Attorney M. A. On the contrary, Mr. McGruder was a special prosecutor in the case and aided materially in his conviction and in securing the original sentence of two years.

## TIME TO ACT

Don't Wait for the Fatal Stages of  
Kidney Illness—Profit By Sedalia People's Experiences.

Occasional attacks of backache, irregular urination, headaches, and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings, below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Sedalia prove the effectiveness of this great kidney remedy.

P. F. Tomlinson, 1515 E. 5th St., Sedalia, Mo., says: "Five years ago Doan's Kidney Pills, procured from Bard's Drug Store, cured me of lumbago and kidney trouble. I still think highly of this remedy and recommend it at every opportunity."

MASS., IS ANXIOUS FOR  
A HUSBAND.

**SHE WRITES A TEXAS POSTMASTER**

Says She Is 20 Years Old, Light Complexion, Big Blue Eyes, Rosy Cheeks, Ruby Lips and Other Attractions.

San Antonio, Texas, July 5.—This time it is Caroline Barlow, of Fall River, Mass., who wants Postmaster Stevens, of this city, to get her a nice cowboy husband, from 20 to 25 years of age.

Caroline confesses to twenty summers, light complexion, big blue eyes, rosy cheeks and ruby lips. She also says that she has had several offers to go on the stage and that she is real chic.

The man she would marry must not drink, however, Miss Barlow showing more sense in making this stipulation than most women of 20.

While the postmaster so far has not taken any steps to act as Cupid in this case, he is so struck with the description of his correspondent that he may possibly stretch a point or two.

He himself is disqualified, for the reason that he is already married, is long past the limit set and is fond of the mint julep.

## ANOTHER INSURGENT CALLS

The congressman is on the other side of the fence from the secretary of the interior and his place in the house is on the platform of insurgency.

Augusta, Ga., July 5.—Resulting in the killing on three negroes, Uvaldia, a small town of South Georgia, was the scene late yesterday afternoon of a race riot, which may result in many other fatalities.

The trouble between the races was averted when the police arrested half a dozen whites and one negro. The black yelled: "Hurrah for Johnson" on a downtown street. He held a knife in his hand and in an instant several white men struck him. The policemen used their clubs after the whites had chased the negro into an alley.

**Hot-Weather Constipation**

People should be very careful at this time of the year not to become constipated, and if they do become constipated to attend to it promptly. Many people have a special tendency to constipation in hot weather, owing to the sudden change in food and to the fact that the natural moisture of the body that in winter remains within and helps to digest the food, leaves the system in the summer in the form of perspiration. Constipation should be immediately relieved. The best way to do this is not, as some suppose, by eating themselves sick with fruit and making the matter worse, nor by taking salts and laxative waters, which, as all who have tried them know, give but temporary relief; but, on the contrary, you should use a tried-and-true remedy like Dr. Caldwell's Syrup Pepsin, which acts quickly but mildly and which relieves permanently so that a steady and lasting cure results. A bottle can be bought of any druggist, in sizes of 50 cents and \$1.00. Those who have not yet tried Dr. Caldwell's Syrup Pepsin, and would like to make a test of it, can do so FREE OF CHARGE by sending their address for a SAMPLE BOTTLE to

## A DAY IN THE COUNTRY

(Continued from Page 1.)

Longan for the U. D. C. The sum of \$50 was voted to be given to the Melita Day Nursery, and a check for \$50 had already been handed to the secretary of the Y. M. C. A. Also it was decided to give \$25 toward the Jefferson Davis Memorial Home association, and \$25 in trust toward a monument to General Emmet Macdonald, for whom the local chapter was named.

Miss Longan had charge of the musical program for the afternoon, she rendering several beautiful selections in her own charming manner. Miss Alice Brown also favored us with lovely violin numbers.

The program being over, we repaired to the lawn, where, under the spreading branches of the trees, a long table was laid, which fairly groaned beneath its weight of delicious viands. Oh, the platters heaped with perfectly browned chicken! And the whole hams, country cured and country baked, just waiting to be carved! The salads, pickles, olives, rolls and deviled eggs formed a picture pleasing to the most fastidious epicure. On the spacious porch was dispensed from an immense cut glass bowl fruit punch and elegant homemade cake.

After the supper hour Mrs. Grace Baker Wood gave several enjoyable readings, and we were indeed glad to hear again this talented Sedalia girl. Master Harry Knox gave some humorous vocal selections.

The favors were small silk American flags, mounted on dainty brass rods, and tucked away in its folds was the following original poem by the hostess:

A glorious Fourth, a glorious Fourth, Oh! "Daughters of Men in Gray," "To the Boys in Blue" who are with us, too,

We wish a delightful day.

A happy time to our other dear friends,

The "Sons of the Men in Gray,"

A glorious Fourth and not too sane,

To all who are here today.

As darkness drew near, Japanese lanterns were lighted all over the yard and porch, which was especially decorated in dozens of flags. Then came the fireworks, which had been provided by the courtesy of the gentlemen.

All too soon the lateness of the hour reminded us that we must be homeward bound. "The hours had passed away, time swiftly sped along," and we must bid our hostess and her charming family adieu, grateful to them for the unbounded hospitality, and we departed.

Carrying with us sweet memories sincere All so fragrant and so precious dear And for each moment that the day contained May God rich blessings on our hostess rain.

The following is a list of the guests who were present: Dr. and Mrs. F. R. Morley, Mrs. H. R. Camp, Mr. and Mrs. F. L. Farley, Mr. and Mrs. Ollie F. Fowler and guest, Miss Julia Fitzsimmons, of Kansas City; Mr. and Mrs. H. W. Harris, Mr. and Mrs. F. S. Leach, Mr. and Mrs. D. H. Smith, Mr. and

## SAYS THEY TOOK HIS TOOLS

An Investigation Being Made by the Local Authorities.

A. H. McCormick, a locomotive machinist from Salt Lake City, Utah, came to Sedalia last Friday to go to work at the new Missouri Pacific shops.

He carried a suit case filled with clothing, and another grip filled with his tools.

On arriving here he told the authorities his mission and asked for a guard to accompany him to the shops. J. H. Bower, a police officer, was dispatched to fill the duty.

Officer Bower accompanied McCormick the greater portion of the distance to the shops, and thinking the man safe, returned to town. When one-half block away from the officer, McCormick, according to his story to the authorities, was seized by six men, who took his grip containing his tools.

He fought hard, but was overcome and was escorted to the Engels boarding house on East Third street, where he remained until Sunday.

Saturday night McCormick addressed a letter to M. J. McGraw, master mechanic of the Missouri Pacific shops, telling of his experience and asking for a guard to accompany him.

W. E. Rifekey, special agent, was dispatched to the place.

While at the Engels house, McCormick says he was visited by a representative of the six men, who offered to pay him \$30 for the grip they had taken.

## ECZEMA ON HANDS FOR TEN YEARS

Were Raw All Over and the Humor  
was Spreading to Body and Limbs  
—Professional Treatment did No  
Good—Daughter had Eczema, Too.

### CUTICURA A SUCCESS IN BOTH THESE CASES

"I had eczema on my hands for ten years. At first it would break out only in winter. Then it finally came to stay. I had three good doctors to do all they could but none of them did any good. I then used one box of Cuticura Ointment and three bottles of Cuticura Resolvent and was completely cured. My hands were raw all over, inside and out, and the eczema was spreading all over my body and limbs. Before I had used one bottle of Cuticura Resolvent, together with the Cuticura Ointment, my sores were nearly healed over, and by the time I had used the third bottle, I was entirely well. I had a good appetite and was fresher than I ever was. To any one who has any skin or blood disease I would honestly advise them to fool with nothing else, but to get Cuticura and get well. My hands, cured by the use of Cuticura Resolvent, together with the Cuticura Ointment, are now perfectly smooth and clear. I cannot recommend Cuticura highly enough, it has done me and my family so much good. My daughter's hands this summer became perfectly smooth and clear. She could get nothing that would do them any good until she tried Cuticura. She used two bottles of Cuticura Resolvent and one box of Cuticura Ointment and in two weeks they were entirely cured. I have used Cuticura for other members of my family and it always proved successful. I recommend it to any one with eczema. After once using it you will never use anything else." Mrs. M. E. Fallon, Speers Ferry, Va., Oct. 19, 1909.

## BLACK VS. WHITE

(Continued from Page 1.)

left to the jaw like a flash. Jeffries staggered back against the ropes.

His defensive power seemed to desert him in an instant. Johnson went at him like a tiger. A rain of lefts and rights delivered at close quarters sent Jeffries reeling blindly.

Another series of short, snappy punches and the big white giant went down for the first time in his ring career. He fell under the top rope and over the lower one, and on the overhanging edge of the platform. Resting on his haunches and right elbow, Jeffries looked around in a dazed way and got up at the count of nine.

While he was down Johnson stood almost over him until Rickard waved him back. He stood ready to strike, and when Jeffries arose from his knees he dashed in again. Jeffries reeled about and tried to clinch; but Johnson eluded him, and as the old-time champion swung around, he jolted him twice on the jaw. Jeffries sank to his knees, but got up again at the count of nine. It was then that Jeffries' friends began to call to Rickard to stop the fight.

"Stop it! Stop it!" they shouted from all sides. "Don't let him be knocked out!" Rickard gave no heed to these appeals. Jeffries was helpless now, and as he staggered to a standing position the negro was waiting for him.

A left, a right and another left, short, snappy, powerful blows, found their mark on Jeffries' chin, and he went down for the third time.

Again he sprawled over the lower rope hanging outside the ring. The timekeeper raised and lowered his arm, tolling off the seconds.

He had reached the count of seven, when some of Jeffries' seconds put foot inside the ropes and Rickard walked between the fallen man and the negro champion. Placing his hand on Johnson's shoulder, he declared him the winner.

While Jeffries was not counted out, this was but a technical evasion. It was evident he could never have gotten up inside of ten seconds.

### Statement by Jack Johnson.

I won from Mr. Jeffries because I outclassed him in every department of the fighting game. Before I entered the ring I was certain I would be the victor. I never changed my mind at any time.

Jeffries blows had no steam behind them, so how could he hope to defeat me? With the exception of a slight cut on my lower lip, which was really caused by an old wound being struck, I am unmarked. I heard people at the ringside remark about body blows being inflicted upon me.

I do not recall a single punch in the body that caused me any discomfort. I am in shape to battle again tomorrow if it was necessary.

One thing I must give Jeffries credit for is the game battle he made. He came back at me with the heart of a true fighter. No man can say he did not do his best.

I believe we both fought fairly. There was nothing said between us which was rough. He joked me and I joked him. I told him I knew he was a bear, but I was a gorilla and would defeat him.

I do not think I shall fight for several months, because I do not know a man who could give me a good battle. No attention will be paid to Sam Langford's challenges to me. I don't consider he would give me a fight that would draw.

### Statement by James J. Jeffries.

I lost my fight this afternoon, but did not have the snap of youth I used to have. I believed in my own heart that all the old-time dash was there, but when I started to execute, the speed and youthful stamina were lacking.

The things I used to do were impossible.

For instance, I used to shoot in a right-hand body punch, a sort of short range blow that never used to fail me. But when I tried it today the snap was not there, and it was only a love tap.

I suppose most of my trainers and helpers would say that I did not box often enough. It would not have made any difference if I had sparred a dozen times oftener than I did. I simply was not there, and that's all there was to it.

I guess it's my own fault. I was getting along nicely on my alfalfa farm, but when they started calling for me and mentioning me as "the white man's hope," I guess my pride got the better of my good judgment.

At that I worked long and hard to condition myself, and I was fit, so far as strength goes, but the old necessary snap and dash, the willingness to hear in and crush, were not with me. Six years ago the result might have been different, but now—well, I guess the public will let me alone after this.

## Weak Kidneys

Weak Kidneys surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, and their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is pale, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month. Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell.

### Family Peace.

The modern theory of child training is to shift the responsibility of wrongdoing to a child's own shoulders. It is early taught to weigh right and wrong and count the cost.

Mothers who are in despair over the behavior of their children should try making them free agents. Show them plainly how unpopular they are making themselves by their horrid behavior. Appeal to the reason. Teach them to form their own decisions and abide by the results.

A child so trained usually acquires self-control when other children are having parental control punished into them.

This method of training is not feasible, however, without parents have the good judgment to keep in such close touch with their little ones that they can act as counselor, as a last court of appeals and as presiding judge, whose decisions are final.

A mother of a large and interesting family said, "If I had a dozen children I would have to evolve a different way to train each one according to its idiosyncrasies."

Instead of mourning over a child's misconduct, study to make it good in spite of itself. Keep it so well that a happy disposition comes natural. Teach Mary or John self-government, but at the same time let it be thoroughly understood that you are governor-in-chief in disputed points.

One mother who had ideas on self-rule for her children allowed those children to be terrorists to the neighborhood. Even in church she would sit placidly by while they crawled under the pews to pinch the worshippers in front or slyly run pins into the next person.

A mother who does not know the difference between self-control and

## Why Have an Overheated Kitchen in Summer?

When the sultry days come and the coal range makes the kitchen almost unbearable and cooking a dreaded task, put out the range fire and try the newest method of cooking in hot weather—use a

## New Perfection WICK BLUE FLAME Oil Cook-stove

What a contrast! The kitchen no longer is stifling hot, the work is now done with comfort, and the housewife is not worn out with the heat.

She saves her strength, keeps her health and is better able to enjoy the summer.

The New Perfection does everything that any other stove can do—all the family cooking, baking, washing and ironing. No smoke, no dust, no odor. Heat is applied directly and not wasted. A turn, and the flame is out.

The New Perfection stove has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for the coffee pot or saucepans, and nickel towel racks.

It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove very attractive and invites cleanliness. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

Doubtful Praise.  
A fullback in a football team once  
had the misfortune to pat the ball  
through his own goal. This regret-  
table error lost his side the game, and  
he suffered agonies of self-reproach  
on the long journey home.  
"I'm no more use than a chocolate  
"footballer," he said to his sweetheart  
who had traveled many miles to see  
him play. "Aslip of a boy from  
school would have done better than I  
did."  
"Now, George, I won't let you say  
such horrid things about yourself!"  
declared his loyal sweetheart. "You've  
no idea how proud you are. I heard  
a gentleman praising you up to the  
skies this afternoon."  
"Never!" emphatically exclaimed  
the incredulous player.  
"Oh, but it's quite true," she said  
proudly. He said you brought his  
club the best bit of luck they've had  
for ages, and he heartily wished you  
were playing against them in every  
match."—Exchange.

A Tragedy at the Parsonage.  
A present of a pair of chickens to  
a country parsonage where there was  
a large family and a small income  
was an event, and the youngest two  
children (who were usually put to  
bed with a simple meal) were prom-  
ised a share in the family treat, but  
unfortunately, two neighboring min-  
isters dropped in, and the children's  
mother had to compromise with the  
little people. A promise of candy  
pacified them to wait until the older  
people were through.

At the table the chicken was fast  
disappearing, when the door—which  
had been suspiciously creaking for  
some time—was flung open. Two  
faces glared at the visitors, while two  
childish voices shouted in unison:  
"Go ahead—that's right. Eat it all  
up, hogs!"

### BROOKLYN TABERNACLE

(Continued from Page 2.)

is to be announced by the Great  
Judge who pronounced the sentence.  
This is a glorious hope, a glorious  
prospect, but as yet it is merely a  
prospect. Only the true church has  
as yet been set free; and she waits  
for perfect freedom through the  
"First Resurrection." "The whole  
world lieth in the Wicked One," and  
still are slaves to Sin and Death con-  
ditions in every way.

The arrangement of Divine Provi-  
dence for this great liberation of the  
captives of Sin and Death is wonder-  
ful! God's kingdom is to be estab-  
lished and to exercise his reign or  
rule of righteousness amongst men  
for a thousand years! Satan is to  
be bound during that period, that he  
may deceive and entrap humanity no  
more. The knowledge of God and  
the assistance of Divine power are to  
be extended to every creature, bond  
and free, rich and poor, of every  
tongue and nation. Not only will the  
living nations enjoy this privilege of  
release from slavery to Sin and  
Death, through the great Redeemer,  
but, additionally, all who are in their  
graves will have the glorious oppor-  
tunity of being awakened and of be-  
ing brought to a knowledge of the  
Truth, that they may be saved by lay-  
ing hold thereon—by conforming  
heart and life to the rules of the  
Kingdom of God's dear Son, and thus  
attaining eternal life.

Truly, that will be a glorious epoch,  
when to the great Deliverer "every  
knee shall bow and every tongue con-  
fess, to the glory of God." It will be  
grand, indeed, to witness during the  
thousand years of Christ's reign the  
gradual liberation of the slaves of  
Sin and Death—their gradual attain-  
ment of full mastery over their weak-  
nesses and imperfections by the as-  
sistance of the great Emancipator!  
Many of these poor slaves went down  
to the tomb in fearful anticipation of  
a future of eternal torment. How  
glad they will be when they awake  
from the sleep of death, realizing it  
as only a momentary interim! They  
will be advised of the fact—that the  
Redemption price has been paid by  
Jesus and that, therefore, he is fully  
qualified and empowered to set them  
free in every sense of the word—not  
only from the condemnation of death,  
but also from the actual blight of  
death—the mental, moral and phys-  
ical weaknesses, which are elements  
of the death sentence.

True, the Scriptures intimate that  
all will not appreciate the privilege  
of emancipation from the dominion  
of sin and death. It is not for us to  
speculate as to the number that will  
ultimately be set free. It is suf-  
ficient for us to know that all will be  
brought to a full opportunity of ac-  
cepting or rejecting the emancipa-  
tion privileges. All will be free in  
the sense that none will die the sec-  
ond death except by his own willful,  
deliberate sympathy with sin and  
rejection of the righteous and liberal  
terms of the great Liberator.

Not Only They but Ourselves.  
Fursuing the subject, the apostle  
marks the church of this Gospel age  
as separate and distinct from the  
world. He shows that those who re-  
ceive the begetting of the Holy  
Spirit now are already children of  
God and are already enjoying full  
freedom, full liberation from the con-  
demnation of sin and death. He  
says, "And not only they (the groan-  
ing creation, the world), but our-  
selves also (the spirit-begotten  
church of this age), which have the  
first fruits of the spirit, even we  
ourselves, groan within ourselves,  
waiting for the adoption, to-wit, the  
redemption (deliverance) of our  
body"—"the body of Christ, which is  
the church" (Verse 23; I Corinthians  
all, 27.)

The apostle is here pointing out  
that while the world is groaning un-  
der its share of the Adamic condem-  
nation, believers in Christ also  
groan, though in a different manner.  
The world groans and travails, wait-  
ing for the church's manifestation—  
"the manifestation of the Sons of  
God." The church groans not out-  
wardly, but inwardly, while waiting  
for something different. The world  
is waiting for the manifestation of  
the Sons of God, because "Now are  
we the Sons of God" (I John III, 2).  
Our salvation will come, therefore,  
before this manifestation of the Sons  
of God, which will bring release to  
the world. The elect church is wait-  
ing for the adoption, the deliverance  
of the body in the first resurrection.  
Our Heavenly Father has already  
granted us the spirit of adoption  
whereby we can cry "Abba, Father,"  
but our adoption is not yet accom-  
plished, completed.

We are already set free in our

minds from the law of sin and death,  
the Father is concerned, this must  
be done in unison; He will not re-  
ceive the church separately, member  
by member, but all together at the  
close of this age. Then so many as  
shall have fought the good fight of  
faith and finished their course, so  
many as shall be found worthy a  
place with our Lord in His throne  
will be changed in the first resurrec-

So far, then, as the world is con-  
cerned, let us think less of assist-  
ing them to individual and personal  
liberty than to freedom from the  
yoke of sin. Let us rejoice in the  
privilege and opportunity, which, if  
faithful, we will have by and with  
the Master, of delivering or setting at  
liberty from sin and death the entire  
groaning creation. Let us remember  
that to attain this we must become  
members of the glorified kingdom,  
which will extend this blessing to  
all the families of the earth.

Engineer R. G. Thornton was killed and Engineer Pentecost and Fireman Ray Will were injured in a Mobile & Ohio freight wreck at Mountain Glen, Ill., early Monday morning.

A double-header manifest freight plunged into the waters of Clear Creek, the north end of the embankment having been undermined by heavy rains.

## ANOTHER FOURTH VICTIM

Elmer Hutchings Was Painfully Injured Last Night.

Elmer Hutchings, a 15-year-old son of L. V. Hutchings, a contractor, of 1532 East Fifth street, was seriously injured at his home at 9 o'clock last night, while discharging fireworks.

Elmer was holding a cannon cracker, known as a devil, in one hand. He had applied a match, but the fuse did not ignite. While he was getting another match and while still holding the devil someone slipped up behind him and lighted the fuse.

The cracker exploded in the young man's hand. His forehead, left side of his face and head were badly burned, while both eyes were seriously injured, the left so badly that he may lose the sight.

Dr. H. L. Earnum was summoned to dress the injuries. Today it cannot be stated definitely whether the boy's sight is permanently lost or not.

(Continued from Page 1)

catches by Stewart and Huse, for the Cubs and Warsaw, respectively.

The game would not have been near as close as 10 to 7 had Lupp, who was decidedly off in both games, given the Cubs an even show. This is not exaggerating in the least, for Armstrong was given credit for but two strikeouts during the whole game, while Sedalia had to be marked up with 8. The score: R H E Sedalia . . . 0 0 3 0 1 0 3 3—10 8 1 Warsaw . . . 0 1 1 0 0 2 0 0 3—7 12 7

Batteries—Sedalia, Armstrong and Wilkinson; Warsaw, Senior, Bourbonia and Sullivan.

The second game was called at 3:30 o'clock, and a more bitterly disputed one never was played. Brown was umpiring balls and strikes in the evening, while Lupp was calling bases.

There was an enormously large crowd at the game, and under ordinary circumstances this would have been an incentive to good ball playing; but when the opposing manager stops the game and from half a dozen to half a hundred threatening rosters rush out on the diamond on every other decision of the umpire, then good clean baseball is killed, and a visiting team is under overwhelming odds to even think of winning.

To sum it up, Sedalia did not receive a square deal at Warsaw and won the morning game from sheer hard working baseball. When Warsaw came to Sedalia Saturday and Sunday they won neither game, but they certainly received a square deal from the local manager and the Sedalia public. With the same conditions the Cubs have no fear of not winning from the Reds on the local diamond in Sedalia at any future time. Score by innings: R H E Cubs . . . 2 4 0 0 0 1 0 9—7 9 6 Reds . . . 1 0 2 0 1 0 3 0 1—8 9 5

Batteries—Sedalia, McGurran and Wilkinson; Warsaw, Acock and Bourbonia, Umpires for both games—Clyde Brown and W. J. Lupp.

The special train leaving Warsaw was delayed all night four miles south of Cole Camp on account of engine failure, and the excursionists reached Sedalia at 7:30 this morning.

Pellaur and was himself wounded, probably fatally, on Exchange avenue, in East St. Louis, Sunday afternoon.

## Saloon Thought No. 432

Here is what a business man has to say of business in Fremont, Ohio, since they quit the saloon game of spending \$25 to get one dollar back:

"My retail business," said he, "has been increased so much since the town is without saloons and my collections are so easy I am convinced the voting out of our saloons was the best business move ever made by our citizens. Fremont should contribute liberally to the cause because it has done so much for the town in a business as well as a moral way."

Suppose you would go to our bankers and business men and offer them a business proposition to spend \$500,000 and get \$18,000 back. How many of them would listen to you? Yet many of them claim Sedalia can't prosper unless we carry such a business on with our saloons. How long would YOUR business run under such business principles? Can you wonder that collections are not prompt? Or that our little city is in debt? YOU could not run financially under this principle, so how can a city? —ANTI-SALOON LEAGUE.
